

Outplacement Services

www.Jobwise.net

Jobwise is dedicated to providing job seekers with knowledge, tools and resources to guide them through their job search. Affordability, self-education and one source for this information is our goal.

We have developed a series of self-help guides and provide tools and resources around each phase of a complete job search. Our packages also include Job Search Email Support, and we will answer any questions related to our guides, our site's content or the job search via email.

All our resources and services have been developed based on our knowledge and experience of helping job seekers for over 25 years. Our goal is to take the mystery out of the job search and provide knowledge and confidence to the job seeker. We provide employers an affordable option for career transition assistance.

Outplacement Packages

Silver - 90 Day Access Package - \$50.00

Gold - 120 Day Access Package - \$75.00

Customize Packages are available and additional services can be purchased and added to our basic access packages. These include Coaching, Resume Writing & Social Media Development. These services are provided by **The Jay Block Companies**, a nationally recognized empowerment coaching organization and their network of certified professionals. Additionally, we offer reputation products and services from **Reputation.com**, a leading provider of online reputation management services, as well as professional reference checking and employment verification services from **Allison & Taylor**.

To get started just visit us at www.jobwise.net and pre-purchase our Outplacement Packages. You will be able to customize, send and monitor the progress of each package from your Employer Portal.
